MEET THE BANK'S HONORARY TEAM CAPTAINS!

Christopher and Alaina

Christopher and Alaina (three and a half years old) are the twins of Dennis, Jr. and Mandy, Ephrata. The twins also have an older brother, Nicholas (seven). The children previously received speech therapy services from the S. June Smith Center.

Christopher likes the Disney movie, Cars, and all of the toys that go with it, while Alaina loves princesses and building blocks!

Dennis and Mandy shared, "Christopher and Alaina did very well with the services they received from the S. June Smith Center. I would definitely recommend their services for other children."

Christopher and Alaina are looking forward to serving as Honorary Team Captains for the Graystone Bank and Graystone Mortgage teams!
