CONNERY

Connery An is 19 months old and a motivated, energetic, bright and loving little girl. She lives with her mother Kara, her father Michael and her big brother Cole. She also has three cats that she loves. She receives Physical and Speech Therapy from the S. June Smith Center. Connery loves to play with her brother, read books and practice her sign language. Her favorite toys are her purple singing puppy and her brother's toy sword and stuffed snake.

Here is what Connery's Parents say about their experience at the S. June Smith Center:

"S. June Smith has made a difference in our lives and in Connery's life. Her therapists Carole and Kathy are exceptional. They customize her program based upon her needs and development level. They are also great coaches and provide us with the tools to help make Connery succeed. We are so proud of Connery and her progress and know that the S. June Smith Center has helped us get there. Thank you, Carole, Kathy and S. June Smith Center for all you have done for Connery and our family."

Bring your family and friends to cheer on your team!
