S. June Smith  
Center

## Meet the Honorary Team Captain for Ephrata National Bank!

### Shannon

Shannon is four and a half years old and has two fantastic parents Mike and Danielle. She has three older sisters Emily (ten), Jessica (eight), and Aubrey (six). Shannon has previously received occupational therapy from the S. June Smith Center and now she attends one of the S. June Smith Center's preschool classrooms.

#### Here is what Shannon's Parents say about their experience at the S. June Smith Center:

"We have received services from the S. June Smith Center since Shannon was about eight weeks old. She received occupational therapy services through Early Intervention. When she graduated into the Intermediate Unit program, she began to attend one of the Center's preschool classrooms in Ephrata. Our experiences have been nothing but positive. The staff is very well educated and experienced, while they have a true love for children! What special people!"
