### Meet the Honorary Team Captain for Wells Fargo!

# TRISTN

Tristn is 3 years old and has two great parents Margaret and Ed and an older sister, Gabriella. Tristn has received speech therapy, occupational therapy and special instruction from the S. June Smith Center. Tristn enjoys playing outdoors, swimming, singing and dancing along with Sesame Street and Sid the Science Kid TV. He also likes playing with his Sesame Street toys and playing with his sister, especially hide and seek!

#### Here is what Tristn's Parents say about their experience at the S. June Smith Center:

*"Our experience with the S. June Smith Center was above and beyond what we ever expected. Before starting with S. June Smith Center, Tristn wasn't talking at all and barely babbling. He wasn't able to communicate his wants and needs to us. He started with special instruction and with the therapist's advice we added speech therapy and eventually occupational therapy. With the help of his therapists, Tristn made leaps and bounds with his speech and motor planning and is now able to communicate with us. The staff is very educated and experienced and has given us a tremendous amount of tools to help him. I could never express how grateful we are and what a difference the S. June Smith Center has made for our family."*
