MEET METRO BANK'S HONORARY TEAM CAPTAIN!

Luke & Jason

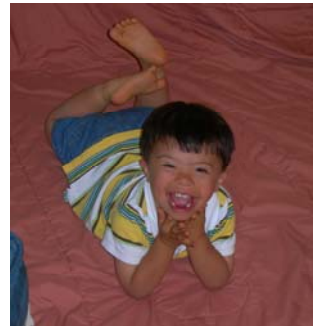

Luke (two years old) is the son of Jon and Diane, Lancaster. He has two older sisters, Megan (9) and Grace (3). Luke currently receives occupational and speech therapy from the S. June Smith Center, but had previously received physical therapy as well.

Luke

Jon and Diane shared, "SJSC has been invaluable in assisting Luke in his development. When he started receiving services he was nine months old and couldn't roll over. He now sits, stands, walks, runs and jumps! Additionally, his fine motor skills are coming along quite nicely and his speech is great! S. June Smith Center provides an exceptional service to our son and our family. We are so very grateful for their help. We know Luke would not be where he is today without their intervention and support!"

Jason (three years old) is the son of Ron and Sandy, Reamstown. He currently attends the S. June Smith Center preschool in Ephrata, however he previously received occupational and speech therapies as well.

Jason

Ron and Sandy shared, "All the therapists and teachers that have worked with Jason over the past few years have been wonderful. They have all been so caring and friendly and have taught us so much. When we visited the S. June Smith preschool, we knew right away that this school would be the right setting for our son, Jason."

**Thank you for visiting METRO Bank's
Battle of the Banks Team Page!**
