MEET THE BANK'S HONORARY TEAM CAPTAINS!

Christopher and Alaina

Christopher and Alaina (two and a half years old) are the twins of Dennis, Jr. and Mandy, Ephrata. The children receive speech therapy services from the S. June Smith Center.

Dennis and Mandy shared, "Our experience so far has been nothing short of fantastic. All of the "tricks of the trade" we have learned to help the kids along the way have been fantastic. We cannot believe how much they

have thrived and moved forward in the seven months that we have been receiving the wonderful therapy from the S. June Smith Center."

Christopher and Alaina are looking forward to serving as Honorary Team Captains for the Northwest Savings Bank!
